BRANSON BREVITIES.

F. R. Holton, material clerk, has returned from St. Louis.

J. B. Hicks and family went to Forsyth Sunday to spend a few days with friends.

Seeing A. J. Brazel on the streets a few days ago reminded us of the taxes soon to be paid.

The railway company now has telegraphic communication with Galena. Mr. Freishe is the operator.

Mr. and Mrs. J. G. Root, D. F. McConkey and D. B. Woods, of Forsyth, were sightseers in Branson last week.

Hugh Wilson, superintendent of the White River railway, was here the latter part of the week on official business.

Grover Berry has returned to Branson, the house he occupied in the country having been destroyed by fire last Thursday.

Gen. Pass. Agt. Rorer and wife of Joplin, accompanied by Mrs. Woods of Albuquerque, were guests of Mrs. Walter Gray last week.

Wm. Maddux and W. A. Branson think they are entitled to honorable mention in the Republican on account of both having worked the same day.

F. W. F. Ayers and J. H. Bentley of St. Louis, L. B. Stephens and L. P. Edwards of Springfield, Hugh Wilson of Aurora, and E. H. Stewart of Cotter, Ark., are guests at the Branson hotel.

The bridge contractor, by working extra time, put all the girders in place in six days, and last Friday the construction train crossed the river. The track is now laid about two miles on the other side. The bridge for Turkey creek is now here and as soon as the track reaches the crossing of that stream it will be taken over there and erected upon the stone piers built last winter. These piers are a good advertisement for Taney county stone as well as for the builder.

Don't Borrow Trouble.

It is a bad habit to borrow anything, but the worst thing you can possibly borrow, is trouble. When sick, sore, heavy, weary and worn-out by the pains and poisons of dyspepsia, biliousness, Bright's disease, and similar internal disorders, don't sit down and brood over your symptoms, but fly for relief to Electric Bitters. Here you will find sure and permanent forgetfulness of all your troubles, and your body will not be burdened by a load of debt disease. At A. H. Parrish's, Forsyth, and J. W. Owen's Protem. Price 25c. Guaranteed.

October 2.

Uncle George Barnett's son Dick writes from Colorado that he is not well. He was intending to come home but is not able to travel.

L. B. Moberly went out Sunday to see her sister, Mrs. Ella Walter, and found all well. John Hopkins and wife, who live with Mrs. Walter, have a fine girl about two weeks old.

The chicken thief is still at work, and it would seem that he has extended his field of operations. Mrs. Bill Florence says they took three of her chickens and their eggs the other day while she was away from home, and that they have dug all her potatoes and taken her pumpkins and squashes. Others report corn stolen from their fields. It would seem to be time for some move to be made toward catching the guilty parties.

All surface cancers are now known to be curable by Bucklen's Arnica Salve. Jas. New corn has been coming into the mill for the last month, and our farmers are enjoying new corn bread and new sorghum together.

Full of Tragic Meaning.

are these lines from J. H. Simmons, of Casey, Ia. Think what might have resulted from his terrible cough if he had not taken the medicine about which he writes: "I had a fearful cough, that disturbed my night's rest. Some Seasonable Advice.

It may be piece of superfluous advice to urge people at this season of the year to lay in a supply of Chamberlain's Cough Remedy. It is almost sure to be needed before winter is over, and much more prompt and satisfactory results are obtained when taken as soon as a cold is contracted and before it has become settled in the system, which can only be done by keeping the remedy at hand. This remedy is so widely known and so altogether good that no one should hesitate about buying it in preference to any other. It is for sale by City Drug Store.
